Job Profile

Overview

In this first pill you will only address the basic and fundamental issues in order to have a professional profile. In later phases Assembler School will help you improve your profile, but for this it is necessary to perform this pill and have the basic requirements.

Project Requirements

- Follow all the steps provided in the description of the pill.

Tasks for the Project

Defining this part is crucial to the development of the project. It is important to make a good analysis of the situation to organize the project in a good way:

#	Task	Priority (1-5)	Description	Difficulty (1-5)	Estimation
1	Reading the description	5	Reading the project's description to understand the specifications	1	30 min
2	Updating my Linkedin Account	5	Optimizing my LinkedIn account	1	2 min
3	Updating my CV	5	Optimizing my CV and include new content	1	30 min
4	Updating my Github	5	Revising my Github account	1	10 min

Linkedin Account:

Opinions from classmates

"Bien en términos de diseño, los apartados están correctos y la información es entendible.

Yo añadiría el perfil de github, igual que está el de linkedin."

-Carlos Agudo Batista

"Me parece súper bien tu cv. Comunican bien las barras de progreso en los development skills. Y todo el contenido está bien organizado. Buen trabajo!"

-Rafael Venegas

"Bien en términos generales. Yo cambiaría el diseño de fondo"

-Cristina Moreno
